## warranty and cover care instructions

### warranty

Leisuretime Spa & Pool Covers Limited warrants to repair or replace at leisuretime's discretion any cover that is defective as a result of faulty materials and/or poor workmanship. this warranty applies for a period of 36 months from the date of purchase.

### cover care

- \* avoid excessive exposure to chemicals
- \* remove cover during shock dosing, return when levels are normal again
- \* only clean the cover using luke warm and mildly soapy water then rinse with fresh water
- \* always lift and carry the cover when moving, never drag the cover
- \* during periods of high wind ensure the cover is locked or store out of the wind
- \* never use chemical cleaners or solvents on the cover
- \* never expose the cover to chemical cleaning solutions commonly used to wash the exterior of houses
- \* be aware that chemical cleaning solutions can drift a distance. store the cover safely away during exterior house cleans
- \* extend the life of the cover by using a leisuretime cover lifter
- \* **we recommend applying 303 Protectant every 3 - 5 weeks for maximum UV protection to prevent UV damage.**
